Vincent Crotty Workshop
Ireland 2024

Join Irish artist Vincent Crotty for a week of painting in Ireland! Kinvara is a charming coastal town in County Galway. Together, we will delve into plein air landscape painting, streetscapes, and seascapes, as well as painting some pub interior scenes and nocturnes. Vincent will also offer indoor painting demonstrations, focusing on how to tackle different lighting conditions. Obviously, the weather in Ireland is frequently changeable and rainy, so we will keep a close eye on the daily forecast. Weather-permitting, we will take short excursions to the Burren and other scenic locations nearby. *Painters of all levels are welcome to join this unique workshop experience.*

*A portion of the proceeds will be donated to
the New Art Center, Newton, MA
